GEBERIT TAP SYSTEM
FOR ABLUTION AREAS

The Geberit tap system for ablution is a clever solution for elegant, durable and hygienic ablution spaces with high-quality products.

BENEFITS

- Easy installation due to pre-assembled Geberit Duofix frame
- Function box well protected and splash water resistant
- Discreet look with new surface-even tileable cover plate
- Vandal-proof due to robust tap connection in the element
- Attractive design with slim and modern wall-mounted taps
